Special Guests

HAYKI

One of Turkey's most dynamic rap voices, Hayki has been shaping the hip hop scene since the early 2000s

— from groundbreaking groups to international festival stages. In 2024 he even performed at UEFA EURO 2024 in Berlin. Known for rapid-fire lyrics and powerful live presence, he now performs across Turkey and Germany. At Big Harburg Night he'll appear with his full live band, promising booming beats, sharp rhymes and a performance built to keep the crowd on its feet all night.

SHEHAB HAMED

From the heart of Egypt, Shehab brings pop/rock energy and a vibrant live presence. Mixing smooth beats with heartfelt lyrics and sharp storytelling, he delivers infectious grooves and positive energy. People may come for his music, but they stay for the atmosphere, cheerfulness and the promise of an unforgettable night.

LEISEGOLD

Blending IndieGaze, TripHop and Psychedelic sounds, Leisegold creates a dreamy, immersive world of German lyrics and subtle art-rock spirit — music whose natural home, as he likes to say with a wink, is “set in minor key.”

As he puts it: “We are living in strange times right now, and this is exactly when we need these timeless spaces — for laughter, love, art and music — because they are the last reserves of humanity.”

Recently he moved his music from Spotify to Bandcamp, releasing one new track every Friday. His current favourite is the hypnotic single “Nacht”, a perfect late-night soundtrack that reflects this vision.

YUME

Originally founded in Rostock five years ago, YUME are now making noise with their banging debut album Whispers Of The Past. Every song is recorded in their own studio using carefully chosen mics and roaring 100-watt amps — a pure, 100 % DIY hard rock / punk rock explosion.

Acoustic Sessions

DIMINISHCATS

A gifted young duo: 20-year-old saxophonist Johan and 18-year-old keyboardist Rebecca. They write their own soulful jazz ballads, and Johan — already producing music — now steps on stage for the first time with Rebecca as Diminishcats. An intimate acoustic performance full of jazz-infused melodies you

shouldn't miss.

AARON DONOHOE

An experienced musician from Ireland, Aaron brings heartfelt acoustic guitar vibes to the stage. A big Ed Sheeran fan, he mixes soulful Sheeran favourites with other well-loved acoustic hits, creating a warm, sing-along atmosphere to round off the festival in style.

Main Line-Up

MID ALTITUDE

A fresh five-piece with roots in China, Pakistan, Kosovo, Germany and Russia. They cover a wide range of pop and rock hits, always with the aim to entertain and bring good vibes. Formed in September 2024, Mid Altitude will celebrate their fifth Hamburg performance, featuring their signature cover of "Killing Me Softly with His Song."

DAY TWELVE

A fresh pop-rock band founded on June 12, 2025 — the date behind their name. They bring a laid-back atmosphere and dynamic tunes, making „Ä||
