UK pop-punk / alt-rock band One Man Boycott brings the Face For Radio album tour to Hamburg.

Known for high-energy live shows, sharp hooks, and brutally honest lyrics, One Man Boycott blends modern pop-punk with alternative rock and emo influences, drawing comparisons to the emotional

punch of early-2000s pop-punk with a contemporary DIY edge.

Face For Radio is an album about self-doubt, resilience, and finding connection in chaos. Packed with anthemic choruses, driving guitars, and moments of raw vulnerability. Following strong support across UK and European alternative press, this Hamburg show forms part of the first major EU run for the record.

Expect a loud, heartfelt night of melodic pop punk rock, for fans of emotionally charged live music and connection-soaked club shows.

FOX & BADGER

Founded in 2023, this five-piece band from Hamburg, St. Pauli has come together over the past two years and merged into a musical unit based on friendship and the love of music. Add a pinch of skateboarding, a hint of vegan pizza and a portion of chessboard pattern, that's the best way to describe Fox & Badger's recipe.

Each band member draws on years of experience from previous musical projects, moulding the F&B sound and creative processes.

Stylistically, think modern US and UK pop punk. This foundation is enriched with influences from the members' personal preferences. The result is impressive: A versatile, driving sound, varied yet straightforward with lyrics that really mean something! Fox & Badger have something to say and are not afraid to shout it loud!

PIXIE WAVES (Previously ALBA)

Pixie Waves combine classic pop-punk with modern influences and a distinct signature sound of their own. Founded in Hamburg in 2024 under the name ALBA, the band continues their journey under a new name following a creative realignment.

The sound of Pixie Waves is driven by the energy of 2000s pop-punk, carried by a striking female lead voice. Combined with contemporary production and fresh ideas, the result is songs with depth and character that hit instantly.

Über den Veranstalter

Stellwerk

Einst als Jazzclub im September 2005 gestartet und seit 2012 ein allgemeiner Musik- & Kulturclub, liegt der Club im Süden Hamburgs und inmitten des Bahnhofs Harburg in einem alten Wartesaal, der auch lange als Simulations-Lehrstellwerk genutzt wurde. Der Club bietet jede Menge Live-Musik und deckt dabei auch Genres wie Comedy, Theater, Poetry etc. ab.
