The samurai return to the battlefield! Finnish “samurai metal” warriors Whispered are back after years of silence, bringing their epic blend of melodic death metal and traditional Japanese influences back to the stage. Known for fusing brutal riffs with Eastern folk elements and themes of samurai, bushido and Japanese legends, Whispered have carved out a unique identity in the metal world.

Joining them on the Return Of The Shogunate European Tour 2026 are fellow Finns Torchia, celebrating the release of their brand-new album They Are Born Under Rules of the Darkness, delivering dark, thrash-infused melodic death metal filled with cinematic atmosphere and relentless riffs.

>From Athens, Scar Of The Sun bring their powerful modern metal sound, blending atmospheric textures, metalcore energy and dynamic riffs that have earned them international recognition.

Opening the night is Dutch death metal act Ceremony, pioneers of the Netherlands' early death metal scene, returning with crushing riffs and new material continuing their dark and atmospheric legacy.

Four bands. One night of pure metal.
